

Nowadays technology is increasingly being used to monitor what people are saying and doing (for example, through cellphone tracking and security cameras). In many cases, the people being monitored are unaware that this is happening.

Do you think the advantages of this development outweigh the disadvantages?

There is no room for doubt that ~~with an~~ ~~by~~ ~~increase~~ ~~ing~~ ~~in~~ the number of devices which were devised recently. Many of them ~~are~~ ~~is~~ used for controlling people in order to find out what they do or say. ~~Such practices~~ ~~So~~ ~~it~~ ~~have~~ ~~has~~ ~~a~~ plenty of positive and negative outcomes.

There are many reasons ~~that~~ lie in this fact that controlling people's activities is necessary. For instance, nowadays many countries face ~~with~~ threats such as terrorism or vandalism in public areas, so one way that might prevent this threat is listening to calls which ~~are~~ ~~contains~~ discussions about these activities. What is more, monitoring is a convenient way for controlling huge and crowded public areas such as shopping malls and offices as well. Moreover, these cameras have helped police ~~indicate~~ ~~identify~~ robbers in case of bank robberies. As a result, not only ~~can~~ ~~do~~ these technologies ~~can~~ make ~~life~~ ~~live~~ more and more safe but also ~~they~~ ~~makes~~ it more convenient.

On the other hand, if we watch or listen to people especially when they are unaware, ~~it~~ makes them feeling ~~as if of that~~ someone entered their private ~~life~~ ~~ve~~. Consequently, it makes them annoyed, so it is better that everyone is warned when they enter ~~in~~ public areas which ~~are~~ controlled with cameras. Given that controlling calls helps police find suspects ~~who~~ ~~which~~ planning for illegal activities, it may happen for people who talk about something that is private, so securities should be aware that ~~they are~~ ~~do~~ not listening to ~~this~~ ~~these~~ calls.

~~by~~ ~~With~~ considering all aspects of this monitoring, I am in favor of this ~~approach/practice~~ ~~work~~ because it makes our society safe. However, it has some drawbacks ~~-backs~~, ~~so~~ ~~not~~ ~~so~~ everyone should ~~not~~ be allowed to do these ~~controllings~~.
